HISTORIC AMERICAN BUILDINGS SURVEY

THOMAS MacMAHAN HOUSE

HABS No. MO-1385

Location: State Route 41, six miles north of Lamine, Lamine vicinity,
Cooper County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Built ca. 1830. Apparently an early type of one story frame house as the interior arrangement and other details do not suggest that the house is weatherboarded over logs. Stone chimneys. The six-panelled front door is original, the other is modern.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp and in 1986 by Deborah Fulton, HABS historians. A master list is available in the ~~MO-1385~~ records for MO-1800.
